11. "WARRANTY LIMITATIONS - CUSTOMER SUPPLIED PARTS"

Garage One will not warranty parts or labor for any job with parts supplied by me. Garage one will not be held liable for any failures, damage, or poor performance due to the installation of customer supplied parts, regardless of the cause of failure, damage, or poor performance. 13. "WARRANTY LIMITATIONS - MODIFICATIONS"

Any modification to any system or part, or the installation of aftermarket performance parts on my vehicle, performed either by Garage One or myself, before or after service work is performed by Garage One, will void Garage One's standard warranty. Modified systems and parts, or the use of high performance parts, that change the behavior or design of the vehicle from the vehicle's original factory specifications place added stresses to the vehicle and its systems, cause added noise and vibration, and cannot be considered as reliable or comfortable as original equipment.

14. "WARRANTY LIMITATIONS - MOTORSPORTS"

Use of my vehicle for high-performance motorsports including, but not limited to, track days, autocross, rally, and drag racing will void Garage One's warranty. Motorsports involve running vehicles at or beyond their extremities, severely shorten the life of the vehicles components, and require more than average maintenance and repair to keep the vehicle in a safe and reliable operating condition. Any upgraded components installed on a vehicle are cause to assume the use of vehicle for motorsports.

15. "WARRANTY LIMITATIONS - SERVICES NOT PROVIDED BY GARAGE ONE"

Any failures or damages caused or found by another party while servicing my vehicle will void Garage One's warranty. Garage One will not be held responsible, and will not provide any reimbursements, for any diagnostics, repairs, towing, storage, rental fees, or any other services not arranged for or provided by Garage One.

16. "I WILL RETURN FOR ANY WARRANTY WORK"

In the event a warranty issue occurs, I will return to Garage One for repairs. Garage One will not reimburse repairs performed by another technician or repair facility. I will not hold Garage One liable for any additional costs outside of the original repairs.
